## NEW LAURELS FOR KPFA

### REPUBLIC OF NORTHERN CALIFORNIA

ACTING PRESIDENT: VAL D. BAIMA

ACTING VICE PRESIDENT: LILLY BELLE BAIMA

PROVISIONAL CAPITOL

NEVADA CITY, CALIFORNIA

KPFA

Dec. 16, 1957

Dear Friends:

Greetings to you from the Republic of North California. Soon there will be a little time to write letters. With winter, snow and rain there is a release from the constant pressure of out-of-door work.

We are glad to learn that the station is growing free of the awful debts. There is no worse kind of bondage than that of debt. Once KPFA is out of debt we hope that never again will this station become a slave to the money racket. The best policy is "pay as you go."

Since last summer we have come a long way. On Dec. 9th, 1957, we deposited the monies for the 1958 county and Nevada Irrigation land taxes to the Republic of North California. This is the first time taxes have been paid by us to our new government. The money was placed in a strong box in the local Nevada City Bank of America. We will need wait for time to pass to learn what fate will bring forth. Just now we seek no converts or followers. People will need face the crisis of our time when that day comes and change to constitutional law and money government or perish. Mother Nature and Necessity cause man to change. Nothing else can.

We have chosen as the national anthem the world famous "Thus Spake Zarathustra" by Richard Strauss. A few days ago we wrote to the birthplace of Strauss—Munich, Germany—and notified that community of the honor we had bestowed upon their great son by choosing his immortal music for the national anthem of the Republic of North California. The "Thus Spake Zarathustra" well fits into the beautiful conception of our new government. It is our desire that KPFA some day soon can play this recording and as a special SALUTE mention the high place we have raised the music to. Zarathustra carries a high ideal, something our military Star Spangled Banner can never reach.

On Dec. 9th we completed the re-writing of the Declaration of Independence. The world some day will be grateful for the new meaning we have given this historic document of liberation. This time it was not a man, but a women, who breathes the fire of Liberty into the document: Lilly Belle Baima. No doubt once it is printed we will mail you a copy. The Thomas Jefferson Declaration of Independence has been altered only in so much as is needed to fit the needs of the people of today. You will agree that this Document of American freedom has a NEW meaning now. Another document concerning the Republic of North California now finished is the "Proclamation of Emancipation." This too is very lofty in its conception and will go down in history as a great stride in Constitutional government.

Our home feels certain that because you opened your doors to us and permitted

us to make the tape recording a new surge of HELP arrived. We feel that it was because you good people did not slam the door on TRUTH a greater blessing could come to KPFA. Had you failed to broadcast the program only failure would have followed your footsteps. Success only follows the successful presentation of Truth. We are certain even greater financial success will follow for KPFA after our next program in which we deliver the two historic Documents of Liberation.

People the world over are straining every nerve to catch one word, to see one ray of hope glimmer, anything which reflects a note of freedom. People are all looking for something which can destroy the threat of A., H., and worse types of warfare. The present systems of Government offer them nothing. These Governments only offer them preparation for war and total destruction. We have a race of humans who have lost all faith in Government and religions. A new approach to LIFE has to be made. Be assured the listeners will find our ideas, what we have just done here in California this past Dec. 9th, very good and refreshing. Reforms are slow; changes take years to bring about the desired results. We are confident that Necessity and Time will help us and make victory sure.

Many who live here are aware of the KPFA broadcast featuring the Republic of North California. They are waiting for more news from us. A new radio station just opened up near us. Have stopped by to see the people running it, but they are

only interested in commercial junk and the clinking of \$\$\$\$\$. So we are counting only on our KPFA at Berkeley as the radio station which is OURS. You are the official station of the new Republic of Northern California, and also the station for the new United Republics of America. Our next step will be to mail the two momentous new Documents—for consideration—to all the states in the union and many important officials. Expect no immediate action from them—but the SEED of future action WILL BE PLANTED. ALL SEED MUST GROW WHEN PLANTED IN FERTILE SOIL AND THE RIGHT ELEMENTS TOUCH IT. The element is made of Necessity and Time. Thank you. Thank you all. May we hear from you soon. We have the only message the world is needing desperately.

Yours sincerely,
